## EDUCATION

### College

#### Chandigarh University

2020 - 2024 7.5 CGPA

### Intermediate

#### Aryan Public Senior Secondary School

2019 - 2020 82%

### Matric

#### Aryan Public Senior Secondary School

2018 - 2019 63.84%

## SKILLS

JAVA	<div><div></div></div>
PYTHON	<div><div></div></div>
POWER BI	<div><div></div></div>
DBMS	<div><div></div></div>
EXCEL	<div><div></div></div>

## WORK EXPERIENCE

Data Science

2021 - 2022

### Internshala Trainings

#### [Work from Home](#)

Internshala is an online learning platform and repository of internships and job opportunities based in India. Set up by Sarvesh Agrawal, Internshala primarily focuses on providing internship opportunities for students from India in association with many organizations and companies.

#### [Achievements/Tasks](#)

My client was a Retail Banking Institution. Term deposits are a major source of income for a bank. So my task was to predict if the client will subscribe to term deposit on the basis of parameters like age, job, marital status, duration, day and month, telephonic marketing campaigns etc.

## PROJECTS

### The Netflix Data Prediction

07/2022 - 08/2022

- Actually, this project is a POWER BI DASHBOARD. I extracted the past 10 years of Netflix data where I had some parameters in datasets. On the basis of my analysis, I built a responsive dashboard.

### AI Chatbot

05/2022 - 08/2022

- A virtual assistant, also called an AI assistant or digital assistant, is an application program that understands natural language voice commands and completes tasks for the user.
- Such tasks, historically performed by a personal assistant or secretary, include taking dictation, reading text or email messages aloud, looking up phone numbers, scheduling, placing phone calls, and reminding the end user about appointments.

## CERTIFICATES AND AWARDS

1. Creativity and Critical thinking.
2. ML (MACHINE LEARNING).
3. Web Development (HTML, CSS, JAVASCRIPT, AJAX AND PHP).
4. DS (DATA SCIENCE).
